Taxi! elicits an enigmatic and provocative take on the road map to love. It's about coupling and the constant search for the perfect match - short term, long term and anything in-between. What makes us fall in and out of love - choice timing or some mysterious random pattern of attraction? Taxi! embraces hope, laughter, hesitation, conflict and desire

Created with and performed by: Michael Caldwell, Zhenya Cerneacov, Ana Claudette, Groppler, Allen Kaeja, & Merideth Plumb
